If you can't overcome
the first hurdle when
Blackdome is generated
in the first stage,

then your body will
turn into Blackdome

So even if you fall, you
can't lose consciousness.

On top of that, you'll
need to spend at least
a day recovering.

But when that woman
"touched" me...

the Blackdome in
my mind completely
vanished.

If we store her power in a "Vessel" or use it well...

I can't
bottle it. I lost
them again.

Howmanaga &
Suzuhin about
the King

Suzuhin probably came
to catch them for the King

If the King shows that
power, he probably won't
be affected, even if a
problem does arise.

I must capture them
before the King does

They're investigating
something, so their next
objective must be...

Lupenrin, we'll
be busy soon, so get
ready for it.

We're going to
the Capital now.

It's time to
plant my trap.

Kairak!!

Wake up!!

Shizune: y
Ja - kairak
I CAN'T AID!!

Kairak!!

Kairak!!

Place my hand on his
head and... Purify!!

Purify!!!

Please...!!

What
should I do,
Shizune?

Kairak isn't
breathing!!

Purify isn't
working either!

What is happening
right now!!!!?

Easy Shizune,
you must calm
down first!

It's all my fault.
I MUST'VE stayed
there too long.

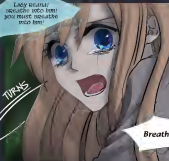

The Blazetta
emotions have affected
the pyromani.

Even if, I don't
think it would
be this bad...

Lady Blazetta!
Breathe into him!
you must breathe
into him!

THANKS

Breathe?

yes, we have
no choice...

not to inject more
anger into him, yes.

Requiem
The Blazetta
and the Blazetta
